Math & Math Plus: Mrs. Kelsey: jkelsey@wcpss.net Math 7: c3gcc9 Math 7 Plus: 6664h2

Social Studies: Mrs. Warren: ewarrenalter@wcpss.net Social Studies: 81010

Science: Mr. Hedley: dhedley@wcpss.net Science: ca6e8 (Google Classroom- dcxzkw)

Field Trip Reminder: Cape Fear Atlantic Voyage field Trip is on October 29, 2019. If your student is attending the field trip, please have them here at EGMMS around 5:30 that morning. The buses must leave by 6. The students will call when there are roughly 30 minutes remaining on our drive back to EGMMS so you can pick them up.

Science -- Mr. Hedley: We launched rockets outside this week. Your student may have videos to share. Next week we will have a quiz on Vocabulary List 2. The list 2 homework is also due Tuesday.

Social Studies -- Mrs. Warren: In my class, students are learning about the Age of Exploration. This week and next week students will be focusing on applying their knowledge of GRAPES (geography, religion, politics, and social structures) to analyze the purpose and impact of voyages by famous explorers.

Math -- Mrs. Kelsey: Math 7: This week we will continue our work on ratios and proportions. We will focus on solving for missing variables using the "butterfly method." As of right now, our Unit 2 test is scheduled for 10/18/19.

Math 7+: This week we will continue to dive deep into solving equations while using the distributive property. Please make sure your child is practicing nightly on thatquiz.org with negative integers across all four operations. It is imperative that they know how to add, subtract, multiply, and divide using negative numbers. As of right now, our unit 2 tests are scheduled for 10/18/19 (expressions and equations) and 10/25/19 (inequalities).

ELA -- Dr. Wright: In Dr. Wright's class this week: The class is currently reading the novel: A Long Walk To Water. The students are obtaining background information on the Dinka tribes and currently read: Loss of Culturally Vital Cattle Leaves Dinka Tribe Adrift in Refugee Camps. The students will take the End of the Unit Assessment next Tuesday. The students will continue to draw inferences based on evidence from the text, analyze the text by understanding what is said and what is inferred, write an objective summary of the text, and analyze how literary elements interact.
