

HAWK TEAM PARENT NEWSLETTER

Here are the events that will be taking place in our classes for the week of October 14, 2019.

MRS. DEMURE'S MATH CLASS

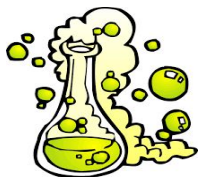

Math-1: We are finishing unit 1. We will review it on Monday and then the students will take the unit test on Tuesday. We will start learning about linear and exponential functions beginning from Wednesday. Students will have a DreamBox assignment as homework and it will be due on Wednesday.

Math-8: There is a mid-assessment on Monday. We will work on angle relations for the rest of the week. Students will have a DreamBox assignment (homework) on Monday and it will be due on Wednesday.

MR. PERSICO'S LANGUAGE ARTS CLASS

We will continue to analyze the refugee/immigrant experience as it relates to the protagonists in *Inside Out and Back Again*. We will also analyze the rubric for the End of Unit 2 essay. Finally, we will continue to gather evidence that can be used to analyze the title of the novel as it relates to the universal refugee experience and in what ways Ha's experience is a specific example of this.

MS. HERRERA'S SCIENCE CLASS

We will continue learning about Oceans through an Ocean Webquest and watching A Plastic Ocean. This video talks about ocean pollution and how we can help to stop our oceans from becoming filled with plastics. Lastly, a Hydrosphere Unit Test will be on October 30th and 31st. Be on the lookout for interims coming home this week!

MR. COMDEN'S SOCIAL STUDIES CLASS

In Social Studies this week the students will be breaking down different parts of the Declaration of Independence. On Tuesday they will begin working on their American Revolutionary War Project. Working the project will start on Tuesday and continue through Friday. The project is a researched based oral presentation where the students will present information regarding 1 famous person, 1 important battle and 1 additional topic of the American Revolution. Please ask your child about their progress reports.

FREE AFTERSCHOOL PROGRAM

The Gifted Impact is a free after school program for students who are interested in fashion, modeling, step, dancing, acting and singing! However, they also have an academic improvement aspect which provides students the opportunity to work on assignments in a quiet space with other teachers present. There are bus routes available for students going to: Hunter's Mark

Parrish Manor and Maybrook. If you are interested, come to the auditorium on Monday at dismissal and speak to Mr. Morgan.
