

HAWK TEAM PARENT NEWSLETTER

Here are the events that will be taking place in our classes for the week of September 30, 2019.

MRS. DEMURE'S MATH CLASS

Math 8: Students will learn how to rotate geometric figures around given points. There is an assessment on Friday, October 17th.

Math-1: We will wrap up what we have learned about sequences by Friday. The test date will be announced during the week.

MR. PERSICO'S LANGUAGE ARTS CLASS

We will be investigating the challenges and obstacles refugees face *after* they escape their country of origin. We will also be considering the similarities and differences between *refugee* children and *immigrant* children. Finally, we will compare what we have learned about refugees from around the world with the characters we have studied in the book *Inside Out and Back Again*.

MS. HERRERA'S SCIENCE CLASS

Coming up for the week of the 7th we will be moving into Oceans! Water Quality quiz will be on Monday! Students will have Oceans Vocabulary due by Friday, October 11th. Students will learn more about ocean pollution, technology used to explore the oceans and the importance of oceans in regulating our climate.

MR. COMDEN'S SOCIAL STUDIES CLASS

This week in class we will be looking at events that contributed to the start of the America Revolution. Such as the Boston Tea Party, and the differences between Loyalist and Patriots. Progress reports will be handed out on Friday.
