 - The school may require a presentation, project, on-demand writing, or interview as evidence of my abilities.
- The CDM Review Panel will determine if I have demonstrated mastery of the course content and skills. If I am successful, I will get credit for the course which will appear on my transcript as “CDM.” No grade or quality points will be granted; this process will have no impact on my GPA.
- I understand that I will meet with a school based CDM Coordinator or counselor to discuss the process and long-term implications.
- My parents and I will be allowed to file a grievance if we do not agree with the decision of the team.
