

# HCES 3D Printing Club

Would you like to help our community and learn how to use a 3D printer? The Harris Creek 3D Printer Club is for you! The club will be offered to 2nd-5th graders for a 4-week period for each track. We will meet on Tuesday afternoons from 4:15-5:30pm and discover ways to solve community problems using our school's 3D printers.

There will be an informational meeting for interested Track 1 students on Tuesday, October 8 at 8:30am in the Media Center. This meeting is not mandatory, but recommended.

Club meeting dates by track will be:

Track 1: 10/15, 10/22, 10/29, 11/5
