## Title I Family Engagement Policy 2023-24

**Policy Engagement:** Your voice is valuable to use. In order to hear from you all regarding our Title I Family Engagement Policy we will:

- Provide our families with information about being a part of a Title I school during various family engagement events throughout the year.
- Send a copy of the policy home or post in our school website, with a form where feedback can be provided paper pencil or electronically.

**Shared Responsibilities for High Student Achievement:** The shared responsibility expectations are reflected and presented in our Home-School Compact. These expectations include responsibilities of Barwell Road Elementary School staff and families alike, and the necessary partnership between these two groups, which shall be enriched throughout the year by communications regarding student progress.

**Building Capacity for Engagement:** Supporting both our families and staff in growing their capabilities for engagement is crucial to our success. To ensure this happens, we will:

- Provide professional development to our staff that is responsive to the results of the annual Panorama Survey.
- Establish Curriculum Nights where families can learn grade level expectations and how to support their child's learning at home.
- Through parent-teacher conferences and/or student-led conferences we will create the opportunity for families, students, and staff to have meaningful conversations around student learning.
- Hold the Barwell International Nights where families can learn and share about each other's cultures.
- Be flexible in communications with families, including but not limited to: emails, telephone calls, personal conferences or text messages through Talking Points.

**Accessibility:** Through building a relationship with our families, we will learn how to best meet your needs for engagement with Barwell Road Elementary School.
