## East Millbrook Magnet Middle School Title I Family Engagement Policy 2020-21

Policy Engagement: The voices of our families are important, and we want your

- feedback. In order to hear from you all regarding our Title I Family Engagement Policy we will:
  - Provide you with information about the rights and responsibilities of being part of a Title I funded school.
  - Offer a flexible number of meetings during the school year that relate to family engagement.
  - A copy of the policy will be shared at our first Family Engagement event and posted on the school website, with a form where feedback can be provided.
  - Create open lines of communication between staff and families where feedback can be received throughout the year

Shared Responsibilities for High Student Achievement: The shared responsibility expectations are reflected in our Home-School Compact.

**Building Capacity for Engagement:** Supporting both our families and staff in growing their capabilities for engagement is crucial to our success. In order to ensure this happens, we will:

- Hold academic family activities and meetings throughout the year where we will share student and school goals.
- Meet with families as least twice a year for conferences where student achievement will be discussed. Families and teachers will work together to set goals for students.
- Hold monthly PTSA Board Meetings. These meetings are open to all families.
  - Support our PTSA to help family and community members to become well equipped volunteers.
- Provide professional development to our staff that is responsive to the results of the annual Title I Family Survey.
- Ensure that staff is available for frequent communication with families about the areas of success and growth for their child.

**Accessibility:** Through building a relationship with our families, we will learn how to best meet your needs for engagement with East Millbrook Families.
