Accessing ACT Online Prep

Dear **FLEX Rising Junior**

Your state, district, or school has provided you with access to ACT® Online Prep (AOP)! You will find this a very useful online resource to prepare you to take the ACT® test.

You're already preparing to take the ACT with what you're learning in school—but additional practice can help you do your best. AOP helps you:

✓ Get ready	It's a great way to prepare for the ACT, especially since it's built by the ACT test makers themselves.
✓ Get comfortable	The practice questions and tests are taken from previous ACT tests, which helps you get used to the format and avoid surprises on test day.
✓ Get confident	As you see your scores and percentages change with each completed lesson and practice session, you'll know you're getting the hang of it.
✓ Go mobile	A free AOP mobile app is available for when you're on the go!
