

Green Hope High School Safety Presentation

2020-21

****All students hoping to secure an off-campus lunch pass and/or an on-campus parking space for the 2020-21 school year must review this presentation and submit documentation acknowledging that they have reviewed this presentation along with other policy documents and agree to abide by outlined rules and procedures, with the understanding that failure to do so may result in loss of on-campus parking privileges—either temporarily or permanently.**

On-Campus Vehicle Operation & Parking

General Rules

- Only registered vehicles may be parked on GHHS property during the school day.
- Students must park in their assigned spot and display the hangtag.
- Fines must be paid within 3 days (or face additional fines and other consequences)
- Parking access during the 2020-2021 school year does not guarantee a parking spot for the 2021-2022 school year.

Safety Rules

- Vehicles must be parked within the lines
- Seatbelts should be worn by all vehicle occupants; driving speeds should not exceed 10 mph in parking lots
- Code of Conduct applies to all vehicles, student drivers, passengers, and contents while on school grounds
- Student vehicles are subject to search and seizure per WCPSS Board Policy

Handicapped Parking

- Must have valid handicapped permit from DMV and a GHHS parking pass to park in handicap spaces
- Permit must be for a student using the vehicle
- Register vehicle as usual and pay for spot as usual
- Follow all parking rules
- Normal expectations, rules & consequences apply
- If you require a handicap space, please contact front office for next steps

Potential Consequences

Failure to adhere to any of the policies & guidelines mentioned in this presentation may be grounds for any of the following (or a combination of these things):

- Ticketing
- Towing at the owner's expense
- Suspension or revocation of lunch pass and/or parking pass
- Other school consequences (e.g., lunch detention, after-school detention, ISS, etc.)

If you're in an accident...

1. Move to a safe area (if possible).
2. Stop your vehicle & get out.
3. Check on others involved.
4. Call police (if it happens on campus, contact SRO Clifton and the front office).
5. Gather information.
6. Document the scene.
7. File insurance (...talk to parents about this).

If you are involved in any accident (major or minor), you need to report it. Failure to report to law enforcement or fleeing from an accident could result in criminal charges (“hit and run”).

Failing to report incidents on campus may also result in temporary or permanent suspension of parking privileges along with other consequences.
