Green Hope High School Application for Student On-Campus Vehicle Operation & Parking (2020-2021)

Students who possess a valid North Carolina Driver's License may submit an application to operate a motor vehicle on campus and secure an on-campus parking space (permits and out-of-state licenses will not be accepted). The fee as established by the WCPSS Board of Education for the 2020-21 school year, is waived. To be considered for an on-campus parking space, please complete the application below and submit via email to mreagan@wcpss.net along with photocopies of NC Driver License (front and back) as well as photocopies of vehicle registration documents for each vehicle being registered (no more than two vehicles can be registered per student).
