

On Tuesday, June 9th, Wake Forest Middle School will hold a pick-up/collection event for students to return items belonging to the school and pick-up items such as personal items left in lockers. We will also distribute yearbooks to students who pre-purchased and provide an opportunity for spring student-athletes to pick-up any pre-purchased sports apparel or photos. We ask that you adhere to the locations and times listed below for your grade-level to ensure we are able to keep traffic flowing and adhere to guidelines in place due to COVID-19. We ask that you follow traffic patterns on this day to keep traffic moving as smoothly as we possibly can given our location on South Main Street. Students, nor parents will be allowed to exit their car or enter the building on this date. Please take a moment to review the items listed below to see if you will need to attend the event.

We will hold an alternate date for anyone unable to come on June 9th. The alternative date will be held on Thursday, June 11th from 9am – 11am using the same format (pick-up in bus lot, drop-off in main entrance)

For 8th grade only – Pick-up and drop-off of items will occur in the bus parking lot due to the drive-thru celebration event occurring in the carpool lane by the main entrance.

Items Students can Collect from School (Pick-up will occur in the bus parking lot)

- Personal items left in locker (lockers will already be cleaned by staff and your items will be in a bag)
- Athletics apparel or spring sports pictures (if purchased)
- Yearbooks (if purchased)

When you arrive, please roll your passenger window down and tell staff your child’s name and grade-level. Your bag will be retrieved and placed in your car.

Items Students will Return to School (Drop-off of items will occur in main entrance)
