## Course Overview

The EMT I & EMT II are two separate courses that are taken sequentially, (EMT I & EMT II must be taken the same school year, NOT EMT I Junior year and EMT II Senior year) to meet the mandatory hours of training by the North Carolina Office of Emergency Medical Services.

### Emergency Medical Technology I

This course is aligned to the EMT Basic certification available from the North Carolina Office of Emergency Medical Services and is part I of a two course sequence require to meet the mandatory hours of training. The course includes skills in each area, using resources from the community to help deliver instruction to the students.

Work-based learning strategies appropriate for this course include job shadowing. Job Shadowing shifts will be completed during this course. Students will have to complete 24 hours (2 shifts at 12 hours each) of ride time with a designated EMS agency. This will be scheduled in addition to class days and should not interfere with class.

### Emergency Technology II

This course is aligned to the EMT Basic certification available from the North Carolina Office of Emergency Medical Services and is part II of a two-course sequence require to meet the mandatory hours of training. The course includes skills in each area, using resources from the community to help deliver instruction to the students. English language arts are reinforced.

Clinicals will be completed during this course. Students will have to complete 24 hours (2 shifts at 12 hours each) of ride time with a designated EMS agency. This will be scheduled in addition to class days and should not interfere with class.

### Application & Selection Process

Students should complete an [online application](#) by **Friday, June 19<sup>th</sup>**. The application will include:

- 2 Teacher Recommendations (completed via online form)
- Essay
- Student Resume
