

AP World History: Modern
Mrs. Michelle Engdahl
mengdahl@wcpss.net

There is no summer assignment for the AP World History: Modern course.

Students who have enrolled in Advanced Placement World History: Modern (1200-Present) for the 2020-2021 Academic year are invited to join a “Summer Session” in Google Classroom. The purpose is to provide basic information and resources that will be useful to students once the school year begins.

AP World History: Modern “Summer Session”
Google Classroom
