Notes:

- All students will follow the same 6-Period day schedule whether in school in Plan B, at home in Plan B, or enrolled in Virtual Academy. New start times begin on 11/9/2020.
- Teachers will work in PLTs (Professional Learning Teams) to design lessons that will provide a consistent experience across all environments.
- All students will be assigned to their scheduled classes. Students can expect to have daily live instruction during the designated time block for their classes.
- Each class period will include a combination of live instruction and independent work time for the entirety of the class session. *Please note that asynchronous (independent) learning activities may be assigned on days with live sessions or in-person.*
- They will need to check in for each class period and may need to remain logged in during independent work times. Remember: attendance will be taken every class period, and is measured by presence and work completion.
- Special Education Services will be scheduled into students' scheduled classes.
- Specialty teachers (ESL, AIG, Intervention) will occur remotely.
