

To ensure everyone's well-being, our school team is committed to honoring these policies.

PLAN B Parent Quick List

Social Distancing K-3, 4-8 Supports

Students are distanced whenever possible. Distances will not always be 6 ft apart.

Classroom and Environmental Cleaning.

High-touch surfaces, and restrooms are disinfected regularly throughout the day. Classrooms are cleaned during the academic day by the teacher and again in the evening by custodial staff.

Academic Environments

Students will experience their day in their assigned classroom. Including lunch and specials, electives.

***Students in Grades 4-8 should bring their Chromebook or comparable device daily.**

MASKS

All students are required to wear masks. Students may remove masks for eating, drinking, and mask breaks.

Daily Health Screenings

- Bus Health Screening is done at home.
- All students must complete the daily health screening each day before entering the building.
- Students must remain with an adult or on the bus prior to completing their health screening.
- Approved walkers must wait in the designated Social Distanced location.

All families attending on Plan B must complete this form.

Together, let's do our part to keep each other healthy.
