MRS. ABBAS

Hello! I'm an instructional assistant at Dillard Drive! I grew up in Alexandria, a city in Egypt. My favorite place in the world is by the beach in Alexandria, sitting at a cafe drinking something nice and hot while looking at the blue sea. Now, I live in Cary with my husband, three children, and our dog, Smokey! If you don't find me at home, I am probably out looking for local restaurants with my family that makes great food. I have worked at Montessori schools in the past, so I have lots of experience with little ones. I'm so excited for this school year!

Please feel free to contact me at
