

meet MRS. EDWARDS

Hello! My name is Mrs. Juanita Edwards. I am an Instructional Assistant. I live in Apex with my wonderful husband. I am a bonus mom to 5 AMAZING children, a set of quadruplets, 2 boys & 2 girls and another boy. I love spending time with my family, the beach and baking. I enjoy working with the little ones, my little lovebugs. I am so excited to make this school year our best year yet.

I am from Cary, North Carolina

I started working at Dillard in
1998

I graduated from
Wake Tech

If I didn't work here, I would be
a nurse

The best thing about working at
Dillard Drive ES is
getting to know and love children and
seeing them gain the love of learning.
