MS. WORTHINGTON

Hello! I was born and raised in Anchorage, Alaska but am not a fan of the cold. I am a second year teacher here at Dillard. I love first grade and have been apart of the Dillard family since my internship 3 years ago. I received my bachelors in International Relations at University of New Mexico. Then I decided to get my masters in Education at NC State. I love working with kids and am very passionate about my job and am planning on having a fantastic year!
