ABOUT ME

I love to jog by the lake
with my best friend.

ADVICE FROM A 4TH GRADER

It is ok to be nervous to start the school year remotely because guess what?!?! You will still rock it out!!

Don't talk while others are talking!!!

It's nice to be important, but it's even MORE important, to be nice!

Miss Goulbourne always say, " I believe in YOU! Do you believe in YOU?"

Be respectful!

Get ready to spend a lot of time reading!!!
