

Ms. Winters' Atmosphere of...

- A - A proud graduate of Southern New Hampshire University with a B.A. in History.**
- W - Winter is NOT my favorite season, despite my name! I love fall!**
- E - Every student deserves a champion, someone who refuses to give up on them and their success.**
- S - Singing is a favorite hobby of mine, and I listen to music while doing most things.**
- O - Outside activities are my jam: hiking, skiing, camping, rafting, swimming, etc.**
- M - My focus in the classroom is building relationships to create a positive learning environment.**
- E - Each day is a new opportunity to succeed - we just need to choose to make it so.**
- N - Nearly every kind of food is my favorite - it is hard to choose just one!**
- E - Energy is contagious, whether it is positive or negative.**
- S - SERES already feels like home, and I am overjoyed to be a part of this family of educators!**
- S - Strawberry picking, pumpkin patches, apple picking, and skiing are my favorite seasonal activities.**
