

Catamount Messenger 1.7.21 – Final Exam Information

Catamount Families,

We hope that you had a wonderful and safe holiday break. Here is some important information for you and your child regarding final exams next week.

General Final Exam Information – Week of January 11-15

Here are the slides previously sent with the overarching information related to both teacher-made and state final exams:

<https://www.wcpss.net/cms/lib/NC01911451/Centricity/Domain/6295/1st%20Semester%20Exam%20Schedule%2020-21%20updated%2012.13.20.pdf>

*All teacher-made exams will be administered remotely (online) during the appropriate class period/day.

State Final Exam Information (EOC/some CTE) – On Campus

All students taking a state exam should have completed the Google form provided by their teacher asking about transportation, meals, etc. In that Google form were links to the Student Accountability form that needs to be completed to be on campus and bus riders must also complete the Bus Rider Attestation. Questions about this Google form should be directed to the respective state exam teacher.

Arrival on Campus:

- Students who are riding the bus will be dropped off in the bus loop on the stadium side of campus. They will proceed to the entrance doors on that side of the building and staff will complete the health screening with them before entering the building.
- Students who are coming in carpool will enter the driveway of the school that leads to the main office (entrance closest to Hwy 55). Students should not exit their car until a staff member comes to the car and the student passes the health screening. At that time, the student will enter the main entrance of the building.
- Students who have a valid license and would like to drive to campus for their exam should park in the student parking on the stadium side only. They should use the big parking lot on that side and not the lanes closest to the stadium.
- Health screenings will not start until 6:45am.
- Students should be in testing rooms by 7:25am to prepare for testing.

Health and Safety:

- All students must wear a mask at all times on campus and maintain at least six feet of social distancing.
- Students should utilize the hand sanitizer located around the building and in the classrooms and wash hands as needed.
- Students that cannot pass the health screening questions, students that have been required to quarantine, or students who are currently positive for COVID should not report to campus.
- The Health Screening questions can be found in this folder:
https://drive.google.com/drive/folders/15SfC_FMM9CFA9_fSfcvxbCbOom8t7bcS?usp=sharing

Makeup Exams:

- Students are expected to take their exam on the scheduled day. Staff will contact the student/family if a makeup is required.

Incomplete:

- Students who do not take a state exam and have not applied for a medical exemption will receive an INC (Incomplete) for the course until the state exam is completed.

Materials Needed:

- Pencil
- Calculator for Math 1 or Math 3 – optional – calculators will be available but a student may choose to use their own as long as the test administrator clears the calculator's memory upon arrival
- Water bottle – if needed
- No food will be brought into a testing room
- A cell phone may be brought to campus to use to call parents if needed when testing is complete – however, it must be completely off during the test session. If a cell phone makes noise during testing, this could lead to a misadministration for the room.
- No other electronics should be brought to campus.
- A paper novel/book may be brought to read when a student's test is complete and they are waiting on the rest of the room to finish.

Breakfast/Lunch:

- Students who wish to have school breakfast and/or lunch may do so if they are on campus for an exam. These items will be prepackaged. Students eating breakfast should arrive early enough to be screened, proceed to the cafeteria and eat there, and then proceed to their testing room by 7:25am. Student having lunch will pick up their lunch and take it with them as a grab 'n go.

Departure from Campus:

- When a whole testing room has finished testing, the room will be dismissed. This may occur before the allotted time for the test being given.
- Students riding the bus home will wait in the commons/cafeteria area until buses depart by 11:15am.
- Student drivers may leave when their room is dismissed.
- Carpool students should proceed directly to the front of the school where the carpool loop is and wait (socially distanced with their mask on)
- Estimated end times for tests for planning purposes (rooms leave when the whole room is done). Students can turn on phones and call parents after their testing session is complete:
 - Biology & CTE: 9:30 – 10:00

**WAKE COUNTY
PUBLIC SCHOOL SYSTEM**

- English 2: 10:00 – 10:30
- Math 1/3: 10:00 – 10:30

Room Assignments:

- We will have this information posted at the entrances when students enter the building and will have staff to help students find their testing location. However, it will be helpful for students to know the room assignment ahead of time to expedite movement in the building.
- Here is the link to the daily EOC room assignments: <https://drive.google.com/file/d/1fOB5YQNS-z9KZS47RCOpMfOVwFZigvy/view?usp=sharing>
- Here is the link to the daily CTE room assignments: <https://drive.google.com/file/d/1s4Sl6BneIBfetedod2Q68EQrY38qyK3eP/view?usp=sharing>
