

## Catamount Messenger 10.30.20

Catamount Families,

We hope you are all doing well - here is some information for you and your child.

### Report Cards for 1<sup>st</sup> Quarter

Today (October 30) is report card day. Due to us being in a completely remote environment, we will not be providing a hard copy of the report card for this quarter. Quarter 1 grades have been finalized and can be found in PowerSchool. Students who did not pass a class this quarter will have their report card mailed home with an additional letter from their counselor. Questions about a student's grade should be directed to the teacher.

### Parent Portal Accounts for PowerSchool

If you do not have a Parent Portal account to view your child's grades, attendance and other information, and you would like to register for one, please contact our Data Manager, Ms. Leslie Nelson, at [lnelson@wcpss.net](mailto:lnelson@wcpss.net) or call the school and ask for the Data Manager's extension.

### Virtual Academy Registration - closes November 4

<https://virtualacademyregistration.wcpss.net/>

If you registered your child for both semesters of Virtual Academy in the summer and wish to continue in Virtual Academy during 2<sup>nd</sup> semester, then no action is needed. If you have not signed up for spring semester Virtual Academy and would like to, you need to fill out the registration form. If you were already signed up for Virtual Academy for the spring but would like to return to in-person instruction on the schedule set by the district, you need to fill out the registration form.

Confirmation emails will be sent after the registration period has closed.

While we understand that we are still weeks away from the start of the 2<sup>nd</sup> semester, we need to make several decisions based on our PC Virtual Academy enrollment numbers. You will need to register by Nov. 4. If you choose PC Virtual Academy, you'll be committing to the entire 2<sup>nd</sup> semester.

### Planning for 2<sup>nd</sup> Semester

We are continuing to plan for the return of our students in the 2<sup>nd</sup> semester. Health and safety will continue to be our top priority. Students who return under Plan B should remember that many things will look different than they did before school closure. Here are some updates we can provide at this time – subject to change based on future guidance:

**Health/Safety:** Everyone on campus will have a daily health screening, wear a mask, and follow social distancing measures.

**Classes:** We will continue to make it a priority for students to receive 8 of their 11 registration choices. Some changes may need to be made to schedules for 2<sup>nd</sup> semester, so please know that schedules are not final. Many classes will be a blend meaning PC and PCVA students are taught in the same class period at the same time.

**Curriculum:** Students will be engaged in the same curriculum for courses whether they are in PC or PCVA.

**Lunch:** Students will not be leaving campus for lunch. We will continue to determine where students will eat lunch and what that schedule will look like.

**Extracurriculars and Athletics:** Students can participate in extracurricular activities and athletics whether enrolled in PC or PCVA.
