

## Catamount Messenger 3.24.21 – Plan A Information

Catamount Families:

Here is important information about the WCPSS transition to Plan A at Panther Creek HS:

### Plan A or Virtual Academy

On March 22, the WCPSS Board voted to return students in MS and HS to Plan A starting on April 8. The WCPSS calendar was also changed that night to make Wednesday, April 7 a Teacher Workday (in addition to April 6).

Families will be given the following options and a decision must be made **no later than Thursday, April 1. This deadline cannot be extended.**

- Students currently assigned to an in-person cohort (Cohort A/1, B/2, or C/3) can continue with in-person learning which will begin on a daily basis starting April 8.
- Students currently assigned to Virtual Academy (Cohort D/4) can continue with Virtual Academy.
- Students may change from in-person learning to Virtual Academy starting April 8.
- Students may change from Virtual Academy to daily in-person learning starting April 8.

If students/families wish to remain in their current status, NO action is needed. Their current status will become their default status starting April 8.

If students/families wish **to change their current status**, **action is needed**. Parents will need to complete the following Google form no later than April 1:

<https://forms.gle/cFEWnB1eeXyhoPjY7>

Here is information to verify which status a student is currently registered for in PowerSchool:

### Instruction during Plan A

We do not anticipate changes to a student's schedule or teachers as we transition to Plan A on April 8.

During 4<sup>th</sup> quarter, students will engage in similar instruction to 3<sup>rd</sup> quarter. There will be "live" instruction for both in-person and VA students in the class and then students will complete additional activities for the remainder of the class period asynchronously. Our bell schedule structure will be similar to what we have been following this semester – a final version will be communicated soon.
