

Catamount Messenger 8.16.20

Catamount Families,

Here are a few reminders for the first week of school online:

Student Schedules

Students should review their schedule in PowerSchool again this evening to make sure they know what classes they need to attend. If for some reason they do not have the information they need to attend each teacher's live session tomorrow, we will have a list of teachers posted alphabetically with the join codes on our website. Students should go to the 2020-21 School Year link in the top header bar to find this information.

Technology

Our teachers will be using Canvas or Google Classroom as their Learning Management System (LMS). **It will be essential that your child can access their WakeID portal, their WCPSS student e-mail account and PowerSchool.** These will be the primary methods of communication. All student/staff email communication must take place through WCPSS e-mail accounts. WCPSS has created a "guide to technology" site: <https://www.wcpss.net/techguides>

Also, please see the instructional videos/slides about WakeID portal and PowerSchool posted on our PCHS webpage under "Current News."

Opening of School / First Days

We recognize that some students may not have access to technology to get started on Monday or may have trouble attending to live instruction the first few days. Teachers know this and will work with you.

However, please establish communication with teachers to let them know what is going on via email or a phone call to the school. You can also reach out to your child's counselor.
