

# **Every Student Succeeds Act**

**The Every Student Succeeds Act (ESSA) is the nation's main education law for all public schools. The law holds schools accountable for how students learn and achieve. ESSA aims to ensure that all students, including students with disabilities, English learners, and other historically underserved groups are ready for college and career. Under ESSA, schools continue to have the flexibility to teach students in different ways, while maintaining a high bar to assess students against state-developed college- and career-ready standards.**

**Yates Mill Elementary School has Title 1 status. Title I, one component of ESSA, provides financial assistance to local educational agencies (LEAs) and schools with high numbers/percentages of children from low-income families to help ensure that all children meet challenging academic standards. The Title I funds can be used for a variety of services and resources which benefits all students.**
