

Transportation

Choosing a school also means choosing transportation. Make sure both fit the needs of your family.

- Verify the type of transportation you are eligible for by searching for your address in the Base School Locator at <http://wwwgis2.wcpss.net/addressLookup/>
- As a whole-county magnet school, many Reedy Creek magnet families will need to provide their own transportation either to school or to an express bus stop.
- **Neighborhood busing is available to our base students. Magnet families will need to provide their own transportation either to school or to an express bus stop.**
- Reedy Creek’s Neighborhood and Express routes can be found on our website at <https://www.wcpss.net/domain/11320>
- **Magnet Families:** Though neighborhood bus routes may run through your neighborhood, students designated as magnet must have their own transportation OR be assigned to an express bus.
- After 30 days from the start of school, Transportation may accommodate requests for neighborhood busing for magnet students if spaces are available on the neighborhood bus.
- For questions regarding transportation, please contact WCPSS Transportation at 919-805-3030 or visit <https://www.wcpss.net/Page/43>
