Statement

_____ **General Information**

By initialing, I recognize that Advanced Placement courses are taught at a college level and require excellent organizational skills, strong study habits, the ability to work independently, and a high level of interest and commitment. Students should expect to spend substantial time outside of class preparing assignments, reading, and writing papers. In addition, Advanced Placement students may have summer assignments to prepare them for the challenge of their Advanced Placement course(s).

_____ **Contract Requirement**

By initialing, I understand that Advanced Placement courses require a signed contract on file with Wakefield High School. Should a signed contract not be on file with the school by March 29, 2019, the school will drop my child from the Advanced Placement course(s) which he/she has registered.

_____ **Commitment for Entire Year (Drop/Add Policy)**

By initialing, I recognize that the last possible date to drop an Advanced Placement course is June 7, 2019. Under no circumstances are students permitted to drop Advanced Placement courses after that date.

_____ **Late Work Policy**

By initialing, I agree to the late work policy for Advanced Placement courses. The policy states that students will earn a minimum of 60% of the grade they would have received if turned in on time. Teachers do not have to accept late work beyond one week after the initial due date.

_____ **Summer Work Agreement**

By initialing, I agree to ensure summer work assignments are completed by the first day of the semester. I recognize that I may not know whether I have the course in the fall or the spring, but am still responsible for the completion of the work prior to the first day. Failure to complete summer assignments can be used in the determination of a grade. It is the student's responsibility to obtain the summer work information from the Wakefield website prior to beginning the fall semester.

_____ **Teacher Recommendation**

I understand that if a teacher recommends that I not take an Advanced Placement course and I choose to stay enrolled anyway, I am assuming the responsibility of that decision.

I have read the Advanced Placement information and agree to abide by all of the requirements/expectations. I understand that some Advanced Placement courses require summer work and it is my responsibility obtain it and complete it by the deadline. I understand that some courses may not be offered due to under enrollment. Further, I understand that this contract applies to each and every Advanced Placement course in which I am enrolled in during the 2019-2020 school year.
