Parents and students of Wake STEM Early College,

What an EXCITING year for Wake STEM Early College High School and our students, faculty and staff! After well over a year, we are finally back together AND in a fabulous new building to boot! There is a great deal going on at our campus, but the yearbook staff knows there are many other exciting things we are unable to capture with some continued restrictions. **THIS IS YOUR CHANCE to join the Wake STEM yearbook staff by submitting photos for use in the 2022 Eclipse.** The Wake STEM yearbook staff wants to make sure that our extraordinary students are featured in the 2022 yearbook doing what they do best - BEING EXCEPTIONAL! Read on for more information about what we are looking for and instructions on how to submit photos for the 2022 Wake STEM Eclipse. Submission is easy and can be done through your computer or phone with the Google Form or QR Code Link.

FAQs

What can I submit?

Any school appropriate photo of a Wake STEM student. Has your student participated on a sports team at Athens Drive or in the community? Started a new hobby? Done charitable work? Created a work of art? Spent time working on a skill? Spent time with other STEM students? Marched for social justice? If so, SHARE it!

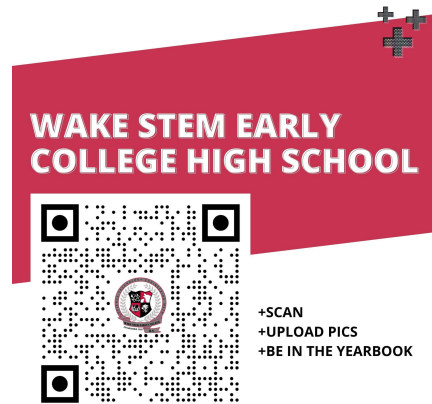

Any other requirements?

Images should be in focus, high quality and resolution, and full size. Phones take pretty good pics these days so look through your camera reel, too.

Where do I share?

You can email images to sbagnasco@wcpss.net OR submit though the Google Form Link or QR Code.

Anything else?

Please make sure to share your student's name, grade, and brief info about the activity pictured to help our staff with captions.

This all sounds great! Where can I buy a yearbook?

The link to purchase a yearbook is [RIGHT HERE](#) Act quickly; we sell out every year!

INFO FOR GRADUATING SENIORS:

Don't forget the Cap and Gown make-ups on January 21st! Photos taken after that date WILL NOT be included in this year's yearbook due to our submission deadline. Instructions were sent in an email from Ms. Overdiep
