PLEASE READ:

- All administrations of EOC and CTE State Assessments must be in-person as required by state policy. This includes Virtual Academy students.
- At Green Level High School, this pertains to the following courses: *Biology, English II, Math I, Math III, CTE Food and Nutrition I, CTE Health Science I, and CTE Principles of Business (POB).*
- If your child is currently enrolled in any of the above courses, you **MUST** complete the **Green Level State Exam Survey**. This must be completed by **December 14, 2020**. If you have multiple students enrolled in these courses, please complete one survey per student.
- Students must complete an on-site health screening before entering the building.
- Students will be dismissed and may be picked up once they have completed their exam.
- Students who remain on campus after the EOC and/or CTE State Assessments will participate in a study hall.
- All teacher-made final exams will be administered remotely, on their designated day. Refer to the individual teacher's website (Canvas/Google Classroom) for more information.
- All teacher-made exams are at-home exams.
- If you have concerns about the health or safety of your student as related to the COVID-19 pandemic, please contact Maria Miller at (919)694-8222.
