

# HELPING YOUR CHILD BE SUCCESSFUL WITH ONLINE LEARNING

1

## FOLLOW THE DAILY SCHEDULE

Make sure you know your child's schedule for daily live instruction. Make sure your child knows when they should be logged on for class. Visit the [Pleasant Grove website](#) for details.

2

## BE PREPARED

Make sure your child understands how to log into Google Classroom to join live instruction and submit daily assignments. If your child is experiencing issues with a WCPSS-issued device, contact Student Tech Help at [919-694-8100](tel:919-694-8100) or visit [wcpss.net/techguides](http://wcpss.net/techguides) for support.

3

## MONITOR YOUR CHILD'S PROGRESS

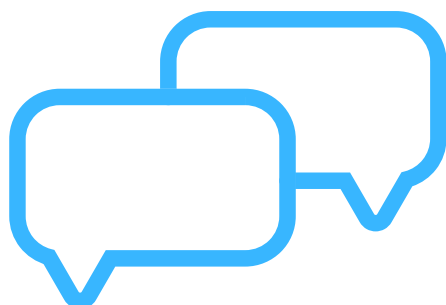

Families can check their child's Google Classroom to see all the work that is complete, incomplete, or missing. Check your child's progress in reading with [Istation Parent Portal](#) and in math with [Dreambox Learning](#). Ask your child's teacher if you have questions.

4

## CHECK IN WITH YOUR CHILD

After checking your child's Google Classroom, ask your student about missing assignments, current grades, or any attendance concerns. If they are missing assignments or have missed online lessons, help them create a plan to get back on track.

5

## CONTACT YOUR CHILD'S TEACHER

Communicate with your child's teacher if you or your child has a question about missed assignments or missed lessons. The best way to contact teachers is through email or the Class Dojo app.

6

## CONTACT PLEASANT GROVE ELEMENTARY

If your child is still struggling despite all the efforts put forth by you and your child, please contact the school for additional support ([919-694-8770](tel:919-694-8770)).
