Reading & Writing

We will be finishing up our unit on Water on our Earth. We will finish reading "One Well" and complete the unit with a call to action Public Service Announcement writing piece encouraging others to conserve water based on what we've learned from our reading.

Math

We will be.... wrapping up our unit on measurement to the inch, half inch, and quarter inch. We will also be solving word problems using yards, feet, gallons, pints, and cups. We will finish our unit with a study of time. We will tell time to the minute and solve problems involving elapsed time.

Science/SS

Science

We will be finishing our unit on plants. We will study the life cycle of a plant, how environmental factors impact plant growth and how seeds travel.

EOGs:

Your child will be taking the End of Grade (EOG) test for Reading and Math this year. We have been reviewing the math we've learned this year all month. We've also been practicing test taking strategies. It is important to get a good night's rest the night before the test! Dates to come!

Calendar

EOGs start later this month. Check weekly emails for the schedule
