

# Kindergarten Classroom News

April 2021

## Kindergarten Website:

<https://sites.google.com/wcps.net/nreskindergarten/home>

### Writing

**Writing:** We will be writing informational texts about science topics such as birds, weather and plants. Students will write 3 sentences on their topic over a few days. They will sound out words and write the sounds that they hear.

### Math

We will be solving story problems involving addition and subtraction.

**Reminder:** Face to Face students, please make sure that your Chromebook is fully charged each evening and bring it to school daily.

### Reading

We will be comparing two texts on the same topic to identify similarities and differences. We will be working with word families with short a, i and o in Letterland.

### Science

We will explore plants and animals. We will learn about living and nonliving things. We will learn about the needs of plants, worms, birds and fish.

### Calendar

**03/29-04/06** Spring Break

**04/08** Class Resumes

**04/09** Q3 Report Cards

**04/14** Asynchronous Day

\*\*Please remember to check weekly emails for Agendas and Materials!
