

# RISING KINDERGARTEN UPDATE

February 15, 2021

Rising Kindergarten Families,

We can't wait to have you join the Turner Creek Elementary family in 2021! Welcoming new kindergarteners and their families is one of the highlights of our year. Even if things may look a little different, we maintain that same feeling of excitement! Normally, we would be hosting our first kindergarten information sessions around this time of year. This year, the timing and focus of our events will look a little different because we are still waiting on crucial information for our planning process.

Today I'd like to give you a sense of what is coming up . . .

- **February 22nd:** Check our website for the link to a video from our kindergarten team and administration. The kindergarten teachers will introduce themselves and share some tips on how to ensure that your child is ready for a successful start to kindergarten.
- Approximately **March 15th:** Check our website again for the link to a new presentation from the kindergarten team and administration. This presentation will go into more detail about the kindergarten experience at Turner Creek Elementary.
- Further updates will be provided over time as information becomes available.

Sincerely,

Kristin Small
