## *What does it mean to be a Falcon?*

Being a Falcon means having school spirit, a sense of identity and community

Our main goal is to create and nurture a learning environment where students are proud to be a part of the community and We believe that families are a part of the educational process

Being a Falcon means Green Hope families support each other

Being a Falcon means getting involved whether it's clubs, athletics, yearbook or the PTSA!

Parents make a difference to school spirit! Attend school events like concerts, games, activities...you make a difference!
