All [teacher-made exams](#) will be administered during the corresponding class period.

All [state-standardized exams](#) (EOC and some CTE ) will be administered [on campus](#) during the corresponding class period. This applies to all students whether enrolled in PC or NCVPS.

- EOCs: Biology, English II, Math 1, and Math 3
- CTE: based on course and whether other credential exams are completed

Senior Exemptions - Seniors will be exempt from seated exams for any course that does not require state testing and for which the student has a final average of C or better. Absences will not be considered in the determination of senior exam exemptions. Seniors can choose to take the Final Exam if exempt; however, the grade will count positively or negatively. Seniors can be required to complete in class projects, which will act as a final exam.

Note: All Seniors in a CTE course must have a POL (Proof of Learning) - they are not exempt. The CTE teacher will provide more detail.

# Final Exam Information 2022-2023

- All final exams will count for 20% of the student's final course grade.
- Exams can positively or negatively impact the final course grade depending on the exam grade.
  - If students choose to take the exam but are exempt, the grade will STILL count (positively or negatively).
- If a student does not take the exam, a zero will be averaged as 20% of the final course grade.
- Breakfast and lunch will be made available to students on exam days.
- Students who do not have an exam scheduled on a particular day do not need to report to campus that day.
- Students may not be checked out earlier than the end of the exam session (12:10 pm).

# State EOC/CTE Exams

- All state exams (EOC and some CTE) will be administered in-person, on-campus for all students enrolled in a course with one of these exams:
  - EOCs: Biology, English II, NC Math 1, and NC Math 3
  - Specific CTE courses - teacher will communicate to students. List is provided on slide 4.
- State exams are 20% of the final course grade.
