Family/ School Compact

What does it mean to be a Title I school?

The emphasis in a schoolwide Title I school is on serving all students. Schoolwide programs maximize the impact of Title I funding in that all students in the school are served as funds are used to improve the entire educational program.

What is a Family/ School Compact?

A Family School Compact is an agreement between parents, students, and teachers. It explains how parents, students, and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level
