Discover Your Talents Through . . .

The Gifted and Talented Program at Martin is based on the belief that all students possess gifts and talents that deserve to be identified, nurtured, and rewarded. This means there are no performance measures, auditions, or tests that students must pass before they are accepted into the school. Our school offers an innovative approach to education by allowing students to select from over 100 elective courses to enhance and enrich the core academic curriculum. At Martin, **“Dream It...Achieve It!”**
