

RESTORATIVE PRACTICE

FAMILY CIRCLES

Parents are invited to learn more about one of the tools of Restorative Practices, the Circle Process, that is used and supported in our schools. Multiple sessions will be offered over the next several months in both English and Spanish.

The Circle is a facilitated dialogue process that is invitational, meaning that no one is required to participate. It allows participants to share openly, and encourages connections and deepening relationships. This experience is inclusive to all who have an interest in learning ways to better support children and families during these uncertain times through authentic connections.

Staff members are trained to be able to effectively lead these Circles.

RESTORATIVE PRACTICE

CÍRCULOS PARA FAMILIAS

The Circle (El Círculo) es una discusión grupal guiada por un facilitador y que es parte del conjunto de herramientas de prácticas restaurativas, que permite a todos compartir abiertamente cuando se sienten cómodos. Este proceso a menudo conduce a un mejor comportamiento, un mayor compromiso propio y un fortalecimiento de las relaciones interpersonales.

Próximamente se ofrecerán múltiples sesiones informativas para que los padres aprendan más sobre este proceso, incluidas las sesiones que se ofrecen en español.

Las sesiones informativas en español se llevarán a cabo:

- El 24 de enero, 6-7:30pm
- El 14 de marzo, 6-7:30pm
