Positivity Project - Love

Dear Families,

This week our school community will be focusing on the character strength of Love. Love means you value close relationships with others and being close to people.

The character strength of love represents the way we think, feel, and behave towards the people with whom we have close relationships. When one person loves another person, that person: comforts and makes the other feel safe; sacrifices on the other's behalf; supports the other during struggles; and places the others' needs ahead of their own. If you love a person, that person makes you feel safe and secure. You can be yourself with that person. You miss that person when they are not around.

On a group level, love is vital for the wellbeing of society. The world is endlessly interconnected. We are all dependent upon each other for survival and happiness. Love produces positive feelings, which help negate loneliness, anxiety, and depression. Without love, we cannot form strong relationships with our families, friends, or communities. A world without love is a dangerous world.

To practice and encourage the character strength of love with your child, please visit the Positivity Project's [P2 for Families](#) (password: P2), where together you will watch a video, read a quote, and talk about the answers to three questions.

Have a wonderful week!

The Nighthawk Book Club is looking for help!

We are holding a book drive until 3/1/23. We are asking families to consider donating books, gently used and middle school appropriate so that we can share them with students who may need assistance with building their own library. We have also been gifted "Little Free Library: Take a book. Share a Book" houses. The plan is to have these placed in some of the neighborhoods that have students attending Herbert Akins Rd MS.

There will be a box in the cafeteria area that students and/or parents can drop off books. Please consider supporting the Nighthawk Flight Time Club in our journey to help promote literacy.

Thank you so much.
Mrs. Tirpak and Students

As we enter the winter months, please keep in mind the critical importance of communicating absences with your student's first period teacher. Sending an e-mail or a message through Talking Points is the difference between an excused and an unexcused absence and the absence being recognized by [WCPSS Board Policy](#). Communicating helps us better support your student and understand the challenges that impact their attendance. Remember, that your student can stay on track by accessing their work through Google Classroom or Canvas as they feel up to it.
