

Principal Message for April 1, 2022

Greetings Carroll Families!

Wake County Public Schools is administering a District Wide Family Survey from **Monday, April 4 through Friday, May 6**. This survey provides families the opportunity to provide valuable information and a high-quality data source for planning and School Improvement. The survey has been translated into various languages. The link to participate will be shared when the survey opens. It is important to me to hear your voice so that we can continuously improve.

CARPOOL—during arrival and dismissal ALL vehicles, except for contracted special transportation vehicles, must go through the entire carpool line to drop students off. You will not be permitted to enter the front parking lot to drop students. I am also asking you to not drop off your student on Rowan or from any other parking lot. Safety continues to be a priority. Cars are not anticipating student crossing in front of them or through the parking lot. If EVERYONE adheres to this practice it can go much smoother. Thank you for adhering to this.
