

Carroll Middle Families,

First, know that all students are safe.

To keep you informed, I wanted to let you know about an incident that occurred today.

This morning a student brought a toy gun on the school bus and showed it to other students. The toy gun has been confiscated.

There is no indication that anyone was ever threatened.

Any student found in possession of a weapon or a facsimile of a weapon on school grounds or on one of our buses will be disciplined in accordance with district policies.

I ask you to please be vigilant and monitor the activities and actions of your child.

The best means to keep schools safe is to maintain healthy and open relationships between adults and children at all times. Please remind your student they can always feel comfortable reporting matters that cause them concern to a teacher or administrator.

Students and parents can also report safety concerns to our anonymous tip line, (919) 856-1911.

Know that we will continue to take every measure to ensure the safety of our students.

Thank you for your continued support of our school.

Tina Zarzecki, Principal
