Free breakfast and lunch for students eligible for free and reduced meals

The North Carolina state budget includes funding that allows Child Nutrition Services to provide free breakfast and lunch to all students who are eligible for reduced-price meals for the 2022-23 school year! Child Nutrition Services is making arrangements to credit the accounts of reduced-price eligible students who purchased meals at the reduced-price rate of 40 cents since the start of the 2022-23 school year. Families can still apply for free and reduced-price meal benefits online at [MySchoolApps.com](https://www.myschoolapps.com) or pick up a paper application at school.

If you have an immediate need please contact me directly at tzarzecki@wcpss.net.

Yours,
