

Principal Message for October 21, 2022

Greetings Carroll Families,

Now that Fall is here it is staying dark longer in the mornings during arrival. I want to remind folks to ONLY drop off students in the carpool loop or at the top of Rowan where the crossing guard is located. Many parents continue to drop kids off in front of the school and have them cross traffic. This is not safe. The safety of our students is a priority. Please be a part of the solution.

Also, EMS has been on our campus several times over the last 2-3 weeks. Every incident has been related to a medical emergency with a student or staff member. Many parents have reached out regarding EMS being on campus because they heard that a student was injured due to fighting. This is not true. EMS has been called only for medical emergencies for students related to health reasons. Should EMS ever be called due to a fight on campus, you will immediately receive communication directly from me. Episodes of fighting continue to decline at CMMS.

The PTA No Fuss Fundraiser is under way! Donations help support Staff Appreciation Events, Campus Beautification, Classroom grants, Cultural Arts Program and the School Dance.

Please help support CMMS by donating

online: <https://carroll.memberhub.com/store/items/159224> or send a check made payable to Carroll PTA via your child's homeroom teacher. All PTA links can be found at <https://linktr.ee/cmmspta>.

On average, the PTA needs \$40 per student to operate. Can you donate your \$40? All donations of any amount are greatly appreciated and useful! We have received donations from 50 families, can we get 50 more families to participate? Read more about No Fuss and all the other things going on in our October newsletter: <https://www.smores.com/rqh314>.
