

Principal Message for May 26, 2023

Greetings Carroll Families,

Monday, May 29th is a holiday to celebrate Memorial Day. School will be closed. Have a great weekend.

EOG/EOCs will be given on May 31st, June 1st, and June 2nd. Please try to have your child at school on time on these days so that we may begin testing promptly. **Students will be expected to bring their charged Chromebook to school on testing days.**

Any student who does not pass the EOG for ELA, Math, or 8th Science, will have the opportunity to retest on June 12th (ELA) and June 13th (6/7th Math & 8th Science). If your child is a bus rider, transportation will be provided. Also, breakfast and lunch will be provided on these dates as well. You will receive a letter home for an invitation to retest IF your child will retest. We ask that you let us know if your child will retest by returning the form the following day.

On Tuesday, June 6th your child will bring home an **EOG/EOC Score Reports** and a **Math Placement Recommendation Form** for 6th and 7th graders. We would like you to review the recommendation and either confirm the recommendation or suggest an alternative. We ask that you return this form with your child the next day. If you would like to discuss the placement, please share this information on the form.

Carroll Athletic Information can be found [here](#). If you are considering football in the Fall, please make sure you complete all forms in Dragonfly and have a completed physical.
