EL

I can answer questions about paleontologists using key details in the text.

I can describe characters' actions in a text.

I can write a compelling narrative about finding a fossil.

Math

I can understand that the three digits of a 3 digit number represent amounts of hundreds, tens and ones.

I can read and write numbers within 1,000.

I can compare 3 digit numbers based on the value of the hundreds, tens and ones digits using the symbols $<$, $>$ and $=$.
