

CLASS NEWS

2022 - 2023
School Year

5th Grade Team Date: 8/29/22

LEARNING FOCUS

EL:

- **Esperanza Rising**

Math:

- **Data and Graphing on Coordinate Grids**
- **Multiplication Fact Fluency**

Science:

- **Systems of the Body**

Writing:

- **Paragraph of the Week and Poster**

Organization is a key component of 5th grade. Students are required to write all work on their agenda sheet. Please check your child's agenda sheet daily which is located in their Homework Folder. Please initial it every evening and return on Friday with a full signature.

DATES TO REMEMBER

- **Early Release: 9/2, 1:45**
- **Labor Day: 9/5 Holiday**

We are looking forward to a wonderful year. This year your child's teachers will be team teaching in 5th grade. Mrs. Barton will be teaching ELA, Mrs. Hyer will be teaching Math, and Mrs. Hildebrandt will be teaching Science, Social Studies, and Reading Skills with an emphasis on Vocabulary, Language, and Writing. We will be working and collaborating closely to ensure your child's success and growth. We are excited to meet with parents at our upcoming curriculum night. (TBA) If you have any questions before that evening please send us an email.

NOTE FROM THE TEACHER

The key to success is communication. Please email us at any time and we will respond within 24 hours. Newsletters will be sent biweekly on Fridays.
