

Family Lunches- December 21, 2022
Lockhart Elementary

Parents-

Below is a chart so you know exactly when your child's class will start their Family Lunch on December 21st. Each family lunch will consist of a 45 minute time eating in our Cafeteria or our Gym (set up as a Cafeteria) then all families will go back to their classrooms and have a class community building activity.

Please plan to bring with you an artifact, picture, or symbol of a family tradition that you can share with the class and leave on our classroom community boards.
