Chorus Rehearsals This Week: 5th Grade Only

Thursday 1/16 at 8:15 am in the music room!
We will be working on music for the Raleigh Fine Arts performance in March!

This Week in Music

Kindergarten: We are creating "Snow Music" in small group work with a variety of percussion instruments including rhythm sticks, jingle bells, and glockenspiels.

1st Grade: In connection with social studies, we are learning the Continent Song, and discussing where the seven continents fall on a world map and in relation to each other.

2nd Grade: We are practicing our note values and rhythms by using rhythm blocks to write rhythms spoken aurally, and rhythms we create ourselves.

3rd Grade: Preparation for our informance is the focus of this week, with performances of folk tales based on Pourquoi, and connecting these to science and ELA objectives.

4th Grade: We are learning about William Grant Still, creating our own lyrics to a rhythm pattern from one of his pieces, and listening to his musical works.

5th Grade: The fifth grade is beginning a composition project in which they will compose a jingle for a product of their creation! We will also begin discussing the genre of jazz music.
