

Salem Book Drive

Help Salem teachers build their classroom libraries by donating gently used books May 30 - June 9.

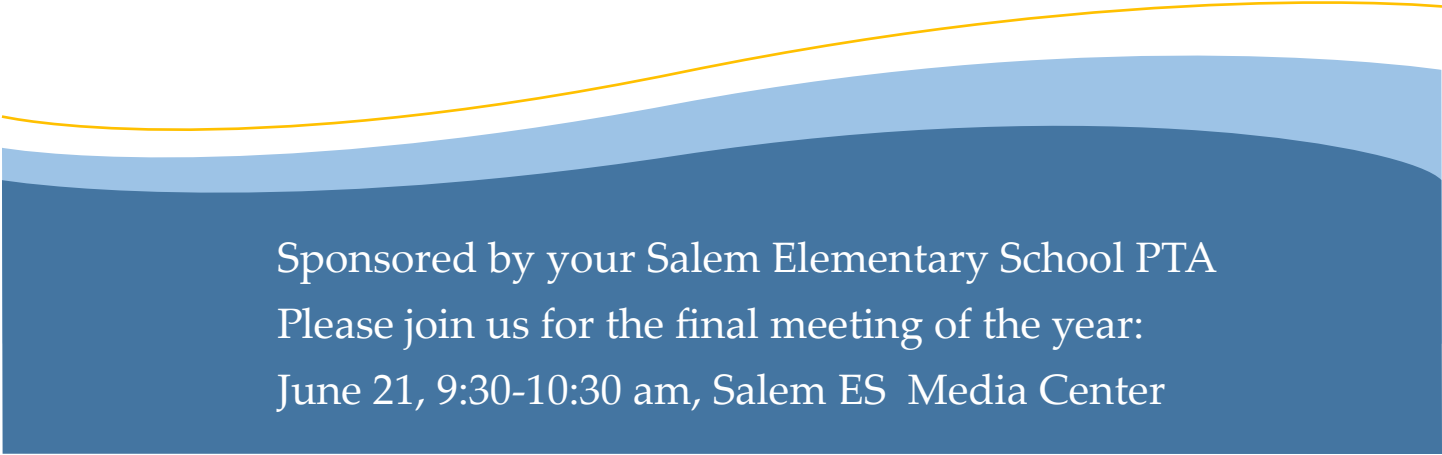

These classroom libraries, built up over the course of a teacher's tenure, are essential and broaden the variety of books available for every reading level in a class. When a teacher changes to a different grade level, they often start their classroom library from scratch. **Books and book series are urgently needed for 2nd, 4th and 5th grades, and very much appreciated for Kindergarten, 1st and 3rd grades.**

Please consider taking a few minutes to gather any books at home your family has outgrown and donating them to the school. Salem PTA will sort and distribute to appropriate teachers and grade levels. **Thank you for your support of our incredible teachers!**
