

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

All students are responsible for complying with and are expected to be familiar with the WCPSS Code of Student Conduct and school board policies governing student behavior and conduct. All Code of Student Conduct policies are contained in the WCPSS Student/Parent Handbook, which is distributed to all students and parents at the beginning of each school year or upon enrollment in the WCPSS. If there is a conflict between the rules expressed in this handbook/agenda/planner and the Code of Student Conduct policies, the WCPSS Code of Student Conduct policies shall take precedence.

Todos los estudiantes son responsables de cumplir con y familiarizarse con el Código de Conducta Estudiantil de WCPSS y las políticas de la Junta de Educación que gobiernan el comportamiento y la conducta de estudiantes. Todas las políticas del Código de Conducta Estudiantil se encuentran en el manual de WCPSS de Estudiantes/Padres, el cual se distribuye a todos los padres y estudiantes al principio de cada año escolar o al matricularse en el WCPSS. Si hay un conflicto entre las reglas expresadas en este manual de Estudiantes/Padres y el manual/agenda/planificador de la escuela de su hijo(a) las reglas expresadas en este manual deben tomar prioridad.

AVIATOR VISION STATEMENT

Adams Elementary is a diverse school family where a dynamic and inclusive environment produces engaged learners.

WAKE COUNTY RETURN TO CAMPUS GUIDE FOR FAMILIES

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

AFTER SCHOOL ARRANGEMENTS

1. The WCPSS Transportation Department does not allow students to ride any bus other than their regular assigned bus. Riding a different bus home with a friend is not allowed.
2. Parents who plan to provide their own transportation for students to and/or from school should inform their teacher once their child returns to school.
3. If a child needs to go to a regularly scheduled daycare facility, scouting program, etc. after school hours, the parent is required to send written notification of this to the teacher. The teacher needs to know by what means each student is to go home, and, if this is to be changed, the teacher should be notified in writing. If your child will not be riding his/her daycare van, it is your responsibility to notify the daycare center.
4. If your child is to go home with a classmate after school, through carpool, BOTH the hosting and visiting student should bring a note from his/her parent requesting this.
5. Students are not allowed to leave school campus during the day without an authorized adult.
6. Students leaving campus within 30 minutes of dismissal are only dismissed through carpool (3:30 PM – 4:00 PM). PLEASE REMEMBER THAT ALL DISMISSALS AFTER 3:30 PM ARE THROUGH CARPOOL [carpool begins at 4:00 PM]. If you know you have to pick your child up early from school, plan accordingly and please do so before 3:30 PM.

APPROPRIATE DRESS

Students are expected to adhere to standards of dress and appearance compatible with an effective learning environment. Attire with messages or illustrations that are lewd, indecent or vulgar or that advertise any product or service not permitted by law to minors; head covering of any kind; see-through clothing; any adornment such as chains or spikes that reasonably could be perceived as or used as a weapon; and any symbols, styles or attire frequently associated with intimidation, violence or violent groups about which students at a particular school have been notified. The principal or principal's designee may require the student to change his or her dress or appearance (WCPSS Board Policy 6410.1).

Book bags on wheels are not allowed for safety reasons. Individual exceptions will be made for physician orders.

Parents will be contacted to bring a change of clothes if deemed necessary. Students will wait in the office until dressed appropriately.

Students need to wear sneakers for PE.

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

ASYNCHRONOUS LEARNING DAYS

Asynchronous learning days were implemented this year to reduce the amount of screen time and allow for teacher planning in response to COVID and remote learning. On these days the only LIVE instruction will be morning meeting where the teacher will take attendance and share the activities that need to be completed. Students will be supplied with approximately 2.5 hours of instructional activities that can be completed at your desired pace. This is still an instructional day and students are expected to complete their assignments. The school building will not be open for students on asynchronous days, ALL students will learn remotely on these days. Currently designated asynchronous days include: October 21, November 3, November 18, December 2, December 16.

ATTENDANCE – IN PERSON

1. Unless a child is in attendance for at least ½ of the school day, he/she is considered absent.
2. Students may leave with a parent for dental or doctor appointments. Prior notice to your child's teacher is appreciated. If possible, the appointments should be made after school hours or while your child is tracked out.
3. If it is necessary for a parent to take his/her child from school during school hours, the parent should ring the front doorbell and notify the office staff of their need. Office personnel will call your child from the classroom after you arrive. Parents will have to wait outside for their child, and the office staff will sign out your child once they have left the building.
4. When a child is going to be absent, you may call 460-3431 and leave a message giving date, teacher, and reason for absence.
5. When your child returns to school after being absent, please send a **written** note to the school within 2 days of return. Emails are acceptable. Please include the following information:
 - Your child's name
 - Date(s) of absence
 - Specific cause of absence
 - Your signature
6. If a student is tardy, parents must ring the front doorbell and state their intention. A staff member will complete a health screening of the student before they are allowed to enter the building, and given a tardy admission slip to the classroom.
7. Letters will be mailed to parents of students who accumulate excessive absences or are regularly tardy. This is done in an effort to keep parents informed. A referral to a school social worker may be made if absences or tardies are excessive. It is a parent's responsibility to ensure their child is on time.
8. **Family vacations should be planned during scheduled breaks (track out times).**
9. Excused absences can be requested for religious and educational reasons. Forms for requesting excused absences for either of these reasons are available through the office. These requests must be made in advance. Excused absences for

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

educational reasons will be granted only if (1) the *primary* purpose of the trip is educational and (2) the event does not occur at another time (e.g. launching of a space shuttle, presidential inauguration). Excused absences for religious reasons will be granted if suggested by the religion of the student or student's parents.

10. Parents can decide a trip is in their family's best interest and choose to accept it as an unexcused absence.

ATTENDANCE – REMOTE

For a student to be marked present during remote learning they must attend LIVE instruction or show completion of independent learning activities.

BEFORE SCHOOL/AFTER SCHOOL/ TRACK OUT PROGRAMS

The Taylor YMCA provides a Before and After School program at Adams Elementary. Before school YMCA begins at 7AM, and after school YMCA closes at 6PM. Track-out programs are housed at the YMCA facility. Information about these programs and associated costs can be obtained from Taylor YMCA at 919 469-9622. Several other daycare centers may also provide care for our students and a list is available at our front desk.

BIRTHDAY PARTY INVITATIONS

Teachers / Teacher Assistants will not pass out birthday invitations for birthday parties. This is an outside of school activity and is the responsibility of the parent. Staff is not allowed to provide student contact information.

BUS SERVICE

Questions about bus stops and schedules should be directed to transportation at <https://www.wcpss.net/page/43>. Transportation can be reached at 919-805-3030. Concerns about behavior should be directed to Laura Walser, Assistant Principal, at lwalsen@wcpss.net or 460-3431.

All elementary students must have their bus ID tag on their bookbag for the entire year. Afternoon bus departure times are posted on the website www.wcpss.net/adamses. Bus departure times are listed under Tweets on the right side of the screen. Information on PM late buses can be obtained by calling Adams' main desk at 460-3431 before 4:30 PM or at www.wcpss.net/Page/177.

Here Comes the Bus is an app that enables you to see the location of your child's school bus. More information can be found at <https://herecomesthebus.com/getting-started/>. When signing up you will need the district code of 67500 and your students ID number/lunch number.

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

EXPECTATIONS FOR STUDENTS RIDING SCHOOL BUSES INCLUDE:

1. Wear a mask while on the bus.
2. Ride only your assigned bus.
3. Remain seated in your assigned seat and keep head and arms inside the bus.
4. Follow the bus driver's directions.
5. Talk softly (with permission of the bus driver).

Riding the SCHOOL bus is a privilege, not a right. Students must display the same appropriate behaviors on the school bus that are expected in the classroom.

SCHOOL BUS DISCIPLINE INVOLVES THE FOLLOWING STEPS:

1. The driver will report students who misbehave on the bus to the Assistant Principal. The parent will be notified the student displayed inappropriate bus behavior. If necessary, a conference may be scheduled with the student, parent, and Assistant Principal.
2. Inappropriate behavior can lead to the student being denied the privilege of riding the bus for 1 to 5 school days or more, depending on the severity of the misbehavior. Parents are responsible for providing transportation to and from school during this time period.
3. Additional reports of misbehavior may result in removal from the bus for additional days or long term.

CAFETERIA – Breakfast/Lunch

Breakfast is available each morning during the 30 minutes before instruction begins (8:45 – 9:15 AM). Each class is assigned a 30 minute lunch period daily. For the 2020-2021 school year all meals are free of charge. There will be no additional treats or snacks available for extra purchase. During all meal times students will be seated at least 6 feet apart, be seated facing the same direction, and must keep their mask on until all student have their food ready to eat (open). Students will take masks off to eat food and will place face masks back on when finished eating.

CARPOOL

All students who arrive on campus in the morning or leave in the afternoon by private vehicle must use the carpool area near the cafeteria/gym. Please do not park, walk your child to the door, and then exit. Use the carpool lane.

AM Arrival: Upon arrival through carpool, students must complete a health screening prior to exiting their car. This will include a set of questions and temperature check. If the student passes the health screening, they will enter the school through the gym and proceed to their classroom or the cafeteria for breakfast.

PM Dismissal: Students using carpool in the afternoon need a carpool number. Carpool numbers can be obtained through the main office. As you drive through the carpool line your number must be visible to staff members who are calling students. This procedure will keep carpool running smoothly and quickly. Students will assemble in the gym at

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

dismissal time to await pick-up. Carpool will circle counterclockwise through the parking lot and students will be assisted into cars near the cafeteria/gym door. PLEASE REMEMBER THAT ALL DISMISSALS AFTER 3:30 PM ARE THROUGH CARPOOL [carpool begins at 4:00 PM]. If you know you have to pick your child up early from school, plan accordingly and please do so before 3:30 PM.

Carpool in the AM begins at 8:45AM. Morning announcements begin at 9:10 with instruction beginning at 9:15 AM. Students are expected to be in the classroom ready to learn at 9:15 AM.

Carpool in the PM begins at 4:00 PM and ends at approximately 4:15 PM. Parents are expected to arrive during this time frame. The YMCA offers after school care from 7AM - 6PM if needed.

CARES ROOM

Children should be kept home when the following symptoms are present: **fever, diarrhea, nausea, vomiting, red and watery eyes with drainage, severe headache or undiagnosed rash.** If a student were to experience any of these symptoms during the school day they will remain in the CARES room until an adult can pick them up. Current guidance from CDC states that if a child is experience symptoms of COVID, all family members must be sent home.

COMMUNICATION

PARENT COMMUNICATION

Every effort is made to send school information home regularly. School newsletters are sent home through email monthly, and more timely messages may be sent through phone or text messages. It is important that parents notify the school with any updates to phone numbers or email addresses.

REPORTING A CHILD'S PROGRESS

Wake County's method of reporting a student's progress includes the best of several reporting procedures. It is a fusion of progress reports, parental conferences, and interim reports. Report Cards will be issued approximately every nine weeks for grades Kindergarten – 5th.

MESSAGES FOR TEACHERS

By e-mail : Email is the preferred method of communication. Teacher e-mail addresses can be located on the Adams Elementary website. It is important to realize e-mails may not be read right away because of classroom instructional obligations. Teachers will make every effort to respond to e-mails within 24 hours on school days. Emails are not instantaneous communication.

By phone: Messages will be taken at the front desk and delivered to teachers.

By written note : Written notes help keep communication clear and avoid confusion.

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

COVID SAFETY MEASURES

Daily Symptom Screening:

All students, employees, and any visitors must complete a daily health screening and temperature check before entering school, per the [Health Screening](#) guidance. Students riding school transportation must have a completed health attestation form before boarding school transportation.

Students must stay home or leave school immediately if:

- They have tested positive for COVID-19 and have not met criteria for returning to school;
- They have had close contact with a person with COVID-19 and have not met criteria for returning to school;
- They have a temperature of 100.4°F or higher; or
- They are experiencing [symptoms of COVID-19](#):
 - Fever (100.4° or higher) or chills
 - New cough (unrelated to allergies)
 - New shortness of breath or difficulty breathing
 - New loss of taste or smell

Wear a Cloth Face Covering:

There is growing evidence that wearing face coverings helps reduce the spread of COVID-19, especially for those who are sick but may not know it. Cloth face coverings are not surgical masks, respirators (“N-95”), or other medical personal protective equipment (PPE). Recent studies on types of face coverings suggest that multi-layered cotton face coverings provide good coverage to keep droplets from spreading when we speak, sneeze, or cough. Individuals should be reminded frequently not to touch the face covering and to wash their hands regularly.

Properly wearing a face covering is a critical measure to minimize the spread of COVID-19. Students, employees, and any visitors must [wear cloth face coverings](#) while on a school campus even when they are six feet or more apart from other individuals, including:

- Inside school buildings
- While traveling on buses, vendor transportation, or other WCPSS vehicles
- Anywhere on WCPSS property, including outside, unless students are on a face covering break

Preschool children, ages 3-4 are expected to wear cloth face coverings if they can reliably wear, remove, and handle cloth face coverings throughout the day.

All face coverings should fit properly and must be secured safely over the nose, mouth, and under the chin, [per CDC guidelines](#). Face coverings should not be pulled down for conversations.

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

The expectation is that students are to provide their own face covering to wear when at school and on bus or vendor transportation. NC Department of Health and Human Services is providing all K - 12 students and school employees with five reusable cloth face coverings.

When at a WCPSS school, if a student does not have access to a face covering, one will be given to them.

Face coverings will be available on buses and vendor transportation for students who do not bring their own face covering.

Students should wash reusable face coverings regularly, per CDC recommendations.

Face Covering Breaks:

Employees may give students a face covering break if they can meet all of the following conditions:

- Outside only
- Spaced 8-10 feet from all other individuals, including employees
- Students should remain stationary in the same space
- Students should all face the same direction

Individuals may briefly remove their face covering while eating or drinking

FIELD TRIPS

During the 2020-2021 school year all field trips have been suspended by WCPSS.

FOUNTAINS

At this time drinking fountains can be used to fill water bottles only. Students are encouraged to bring a water bottle with them to school. Students will be provided with a cup if a water bottle is not available.

HOMEWORK

At Adams Elementary, we regard homework as important school-related instruction that is to be completed outside of the classroom by the student. It should fulfill the following purposes:

1. To enrich and extend school experiences through related home activities.
2. To reinforce learning by providing practice and application.
3. To begin to build work habits and independence needed for middle school, high school and beyond.

Guidelines:

1. Before making a homework assignment, the concept/skill will be thoroughly explained and practiced.
2. Homework assignments will be specific, within the student's ability and have defined expectations.

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

3. Homework assignments will not be given as punishment or busy work.
4. Homework assignments will not require the use of books or materials which are not readily available in the home or accessible to the student.

Frequency:

The research-based guidelines for the maximum time spent on homework per day (which we will also follow) are:

- K – 2nd 20 minutes per day
- 3rd – 5th 50 minutes per day

Homework will be assigned during the week as the teacher deems appropriate. Suggesting for Homework during the 2020-21 school year include independent reading, online Dreambox practice, and online Istation practice. Homework completion is reflected in the work habits section of the report card. If your child spends more than the specified time on homework, please notify the teacher in writing. Teachers will provide feedback on homework assignments. The policy governing homework can be found on the county webpage at www.wcpss.net, Board of Education, policy #5510.

HEALTH ROOM

A health room is available near the main office for students who are not experiencing symptoms of COVID. This can include cuts, scrapes, and medication administration. A child may stay in the health room for 30 minutes but then must return to class or be picked up by a parent. Students who run a fever, vomit, or have diarrhea will report to the CARES room and parents called to go home as soon as possible.

INCLEMENT WEATHER

When weather conditions (snow, etc.) threaten the safety of our students, it may be necessary to close school for the entire day, delay opening of school, or dismiss earlier than usual. As soon as the superintendent makes a decision, local radio and TV stations will be notified. Listen carefully to the announcements. Weather updates for the county can be found at the WCPSS website (www.wcpss.net).

Parents are responsible for monitoring the radio or TV during times of possible weather related closings. We are unable to notify parents individually of early closings. If there is a possibility of inclement weather, please send a note stating the transportation plan for your child in case of early dismissal. Students will follow their regular dismissal plan in the absence of a written note. Please note that the YMCA will NOT have before or after school care on weather related early dismissal. Buses are only available for students who normally ride the bus home.

MEDICATION

If your child needs to take medication at school, a physician must fill out a Form 1702 Parent Request and Physicians' Order Form for Medication. **MEDICATION WILL NOT BE DISTRIBUTED UNTIL THE REQUIRED FORM HAS BEEN RETURNED TO ADAMS.** It is the parent's responsibility to:

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

1. Sign the Parent Request, have the physician complete the permission form, and return/have it returned to school.
2. Provide medication in the container, with the pharmacist's label, which includes the child's name, medication name, dose and time to be given, and how it is to be administered.
3. Provide new, labeled containers when either medication or dosage changes or when replacing expired medications.
4. Remove medications from school when treatment has been completed or school is over for the year.
5. **Parents must transport the medication to school** . Empty bottles may be sent home with the student.
6. Medication must be counted in the presence of parent and a staff member.

At a designated time each day, your child will report to the office where we will dispense medication. The date and time medication was taken and the signature of the staff member who administered the medication will be recorded. **PLEASE NOTE: WE CANNOT GIVE OR ALLOW YOUR CHILD TO TAKE OVER-THE-COUNTER MEDICATION WHILE AT SCHOOL UNLESS WE HAVE THE DOCTOR'S FORM. THIS INCLUDES ASPIRIN, COUGH DROPS, SUNSCREEN, ACETAMINOPHEN, ETC.**

RECESS

Students are provided 30 minutes of physical activity each day. Under current guidance playground equipment will be closed to students. Employees and students must maintain 6 foot social distance from one another. Recess times are staggered by grade level, and classes are assigned a specific area to limit the amount of people in a space at one time. Teachers will use organized games to allow students to be active while remaining socially distanced (ie - Simon Says, Red Light/Green Light, etc.)

RETURN TO SCHOOL AFTER ILLNESS

Students who have experienced at least one COVID-19 symptom, with or without being diagnosed with COVID-19, should not be in school.

Students can return to school once there is no fever without the use of fever-reducing medicines and they have felt well for 24 hours if they receive confirmation of an alternative diagnosis from a health care provider that would explain the COVID-19-like symptom(s).

Without confirmation of an alternative diagnosis, students should stay home until they (or a family member answering for a younger child) can answer YES to all three of the following questions:

- Has it been at least 10 days since they first had symptoms?
- Has it been at least 24 hours since they had a fever without using fever-reducing medicine?
- Have respiratory symptoms improved, including cough or shortness of breath?

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

Students are not required to have documentation of a negative test in order to return to school.

If students have a negative COVID-19 test, they can return to school once there is no fever without the use of fever-reducing medicines and they have felt well for 24 hours.

For students who have been diagnosed with COVID-19 but do not have symptoms:

Students who have been diagnosed with COVID-19, but do not have symptoms must remain out of school until 10 days have passed since the date of their first positive COVID-19 diagnostic test.

Students are not required to have documentation of a negative test in order to return to school.

If a student develops symptoms, they cannot return to school until they meet the criteria for students who have experienced at least one symptom.

For students who have been exposed to COVID-19 and do not have symptoms:

Students who have been exposed to COVID-19 and do not have symptoms must remain out of school for 14 days since their last exposure, even if they test negative for COVID-19. If they develop symptoms, they cannot return to school until they meet the criteria for students who have experienced at least one symptom.

STUDENT INFORMATION

Upon return to in school instruction parent are asked to complete a student data sheet (pink paper) and student accountability and required health protocols. **It is essential that parents inform the office of any changes so we always have a way to contact a parent or emergency back-up person.** Current telephone numbers (home, work and cell) are essential. The office must be able to reach an adult in the case of an emergency. You may contact Ms. Chubb at lchubb@wcpss.net or 919-460-3431 to notify her of any changes.

TECHNOLOGY

While attending school in person, students with a WCPSS device should plan to bring their device (and charger) to and from school.

Parents can choose to allow or not allow their student to bring their personal device. **All students who bring a personal device to school are required to have a signed copy of the [BYOD Consent Form \(Spanish\)](#) on record.**

AVIATOR PARENT/STUDENT HANDBOOK 2020-2021

VISITORS/VOLUNTEERS

[NCDHHS](#) requires schools to limit nonessential visitors and activities involving external groups or organizations. In order to limit visitors to Adams Elementary the following suggestions are provided:

- Please hold virtual or telephone meetings instead of an in-person meeting.
- Parents/Guardians can only escort students inside school buildings when medically or emotionally necessary.
- Only “essential” volunteers are permitted in the school building during school hours or while a majority of students are on campus.
- If needed, volunteers are encouraged to perform their tasks on campus before or after school hours or on weekends.

If it is essential to have a parent, visitor, vendor, or volunteer enter the facility, they are required to go through the same health screening process as students and employees.
